

## **HJMS TIGER BAND BINDER**

Every student in the tiger band program must have a band binder. The band binder is a 1-inch binder with three rings and about 20 page protectors. This is so our students have a way to organize their music for band class. Students may have band binders in any color and their name should be on their band binder in some way.

During the first week of school, the director will hand out band room passes. These band room passes are so students can have access to the band room in the morning and afternoon for instrument storage. It is recommended that students place their band passes into the front sleeve of the band binder to avoid losing the band pass.

Another element of the band binder is a pencil. Students are given a band pencil during the first week of school. This band pencil is to be brought to band class every day so that we can make important notes on our music!

Let's have a great year!
